Dear Friend of Urban Light,

Greetings in the precious and holy name of Jesus. One year ago, in our fourth quarter letter, I wrote about our plan to implement in 2018 a new Christ-centered fatherhood class based on my book *Father Love – The Powerful Resource Every Child Needs*. I spoke of offering it to churches and other locations. I was trusting God to use this new ministry for evangelism and discipleship of young dads. Today, I am excited to report we made huge strides in that direction. The Study Guide is finished, and we've developed a Power Point presentation for use in Dad's Discussion Groups—all based on the book.

We have been diligently testing the material with men's groups in Springfield and Dayton. The response has been excellent. As we speak, we are three sessions from completing a full-blown 13-week pilot. We've learned a lot which we will use to create a second version of the program for incarcerated and rehabbing participants. Starting in January, we'll present the original full-version for a local men's Sunday School class in the first quarter. More good news...

The ULM board has approved a strategic plan that includes the development of Internet and mobile device deliverable teaching. That is exciting and a dream come true! 2019 marks the beginning of the 26<sup>th</sup> year of The Sunshine Clubs after school ministry for children. Our plan calls for also creating video-based children's programming via mobile devices. That will increase the number of kids across the globe we'll be able to impact for Christ!

Because these ministries are unapologetically gospel-based, government funds cannot be used. We are trusting the Lord our God to provide the needed resources. That's where you come in. Your financial partnership is vital.

Will you allow God to use you to support Urban Light in this vital mission? We are in need of \$25,000 to help us end the year strong, and to get off to a good start for 2019. Please prayerfully consider sending a generous, sacrificial gift of any amount to Urban Light Ministries by December 31<sup>st</sup>. If you are able to arrange for me to come and speak to your church or group to share what God is doing through ULM and to share our need, it would be a huge blessing. If you are able to give of your time, that would be great, too. Thank you in advance.

With sincere regards,
